Eligibility: Graduating High School Senior in Frederick County, Maryland

Chi Theta Omega Chapter was chartered on May 17, 2003. In celebration of over 18 years of service to the Frederick community, we would be honored to award our High School graduating seniors with varying scholarship awards. It is evident that you are determined to succeed; you have demonstrated the drive to make a difference in society while articulating high aspirations. Our chapter believes in the pursuit of higher education, achieving academic excellence, and developing supreme young leaders. We understand the family financial burden of today and know how difficult it can be for students to obtain funding to fulfill goals of higher education. It is our hope that we can provide assistance to our seniors who want to “light the world on fire” with their contribution(s) to society and our community.
